MY FUTURE CAREER

## Dream Job

# Professional Web Developer

I want to become a Professional Web Developer because it is in demand and AI can also make work easier. It will help me improve my coding skills, and the things I learn from Senior High School to college will not be wasted.

- ✓ Web Development
- ✓ Programming
- ✓ Continuous Learning

## PLACES I WANT TO VISIT

# Dream Destinations

01 • EUROPE

## Netherlands

I want to visit the Netherlands because the way of life there seems very peaceful, and there are many beautiful views to explore.

02 • EUROPE

## Switzerland

I also want to visit Switzerland because there are many beautiful places to explore, such as mountains, and the way of life there is also very peaceful.

WHAT I ENJOY

## Hobbies & Sports

### Playing Badminton

Badminton is one of the sports I enjoy and continue to practice.

### Listening to Music

Music is one of my favorite ways to relax and enjoy my free time.

### Exploring Nature

I enjoy exploring peaceful places and appreciating beautiful natural surroundings.

### Cycling

Cycling is one of the sports and activities I enjoy.

### Basketball

Basketball is another sport I enjoy playing with others.

### Drawing & Singing

Drawing and singing are two of my talents and creative interests.

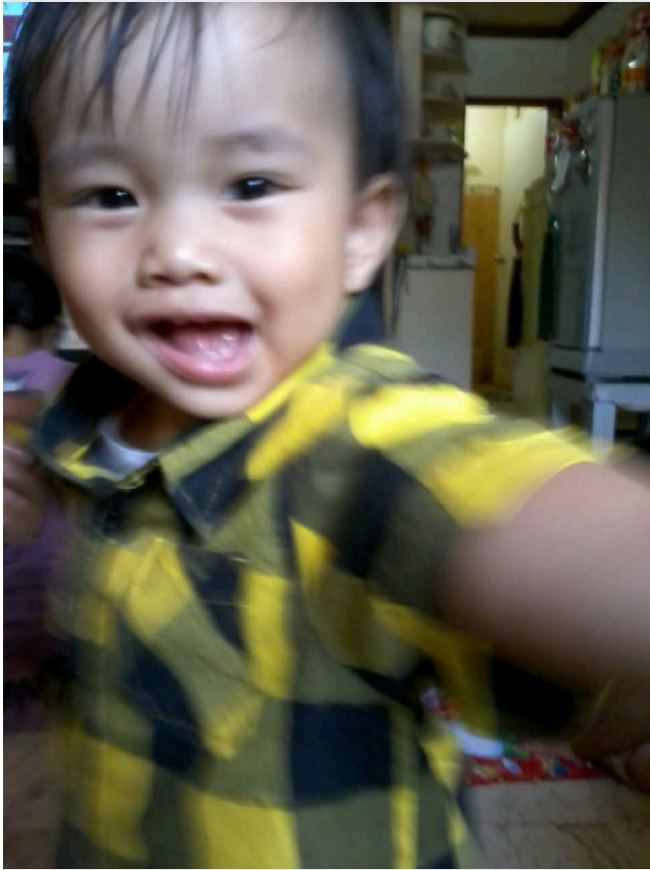

## PERSONAL MEMORIES
